

The Luna Words

Hashers who run by the light of the silvery FULL Moon!!

Luna Date: 4th June 2012

Trail No. 21

Issue No.21

Trail: Lawrence / Belvedere Tower Car Park, Haldon Hill

Hares: Larks Vomit and Kura

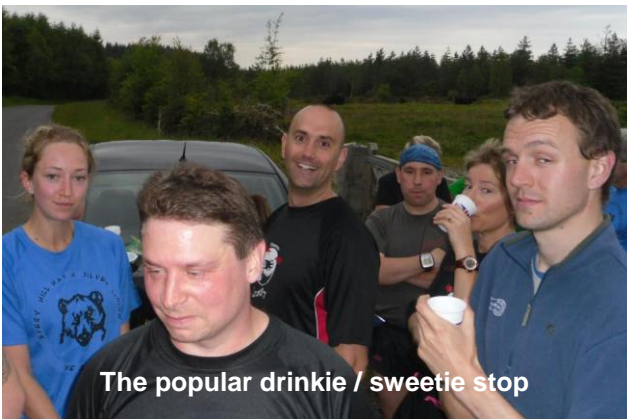

On Down: Bishop Lacey, Chudleigh

Despite it being a Monday evening and our fellow Hashers at Haldon, Kirton and Teign Valley being on the rampage in their respective patches; let alone that the Queen's Jubilee celebrations were still in full swing, we still managed a respectable 20 plus hashers. HT2 was in the Jubilee spirit carrying her Union, upside down, Jack around the trail.

Larks briefed the trail, 3 and On, 2 Long / Short splits, fish hooks and a sweetie / drinkies stop. There was also something about ignoring the trail at a particular point as cattle were now occupying an area where Larks had originally laid it; or was that just bullsh*t? Tinkerbelle (the First) and HT2

The popular drinkie / sweetie stop

The trail wended us around the woods of Haldon, taking in footpaths, mountain bike trails and general cross country through the trees. City of Exeter had had their trail from the same spot the previous day, but thanks to heavy rain, walkers and mountain bikers, none of their trail was still showing. The sweetie come drinkies stop was most welcome. Larks plied us with his now famous / infamous? pink bubbly stuff; together with other drinks and a selection of sweeties. It proved so popular that we were reluctant to leave. A few times he calmly told us

"On On when ready" to a Long / Short split, until, after being ignored for so long, it was a case of - "RIGHT! WILL YOU ALL FECK OFF!!!" So we did!

PP, Rise 'n' Shine and Mateus Rosie

The Shorts basically followed the road to On Home, and the Longs had a final burst through the trees. It was during this last part that Kura whistled past us - Slippery in tow, down a slope and through a small gap between two trees. Slippery

made contact with the right hand tree, and in almost cartoon like fashion landed on his arse. Undeterred, after moment's pause, Kura was ready again; Slippery not quite so, but he persevered. It was soon trail's end anyway, and safely back at the car park it was time for the Down Downs.

Keeping checking the Facebook page and the DLH3 website <http://www.dlh3.org.uk/> for details and registration information for next year's Full Moon Nash Hash. It's about to go live.

Down Downs awarded to:

Hare: **Larks Vomit** – thanks for a great trail. **She's Ready, Scouting for Boys** and **Lizbien** for their exhibitionism to **That's Crap**, although he wasn't complaining!!

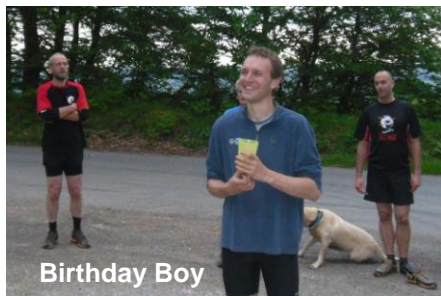

Sara – DLH3 virgin
Scouting for Boys, Silent, Tinkerbelle (the first) and **Woggle** – all first time visitors, and most welcome.

PP and HT2 – hanging about for 'backmarkers' who bypassed them and

got to the Sweetie Stop ahead of them.

The Exhibitionists

Birthday Boy

Clever Dick – His Birthday

Wide Receiver – New Shoooooes. Despite his argument that they had hashed before, they were new to this Hash.

Slippery – for volunteering (or was he pressed-ganged?) to take Kura around; or rather she took him around at a tremendous rate of knots and virtually horizontally. He did well until he met a tree towards the end.

Happy Shopper – for 'damaging' **Honeymoon** – she had to

walk / limp around the trail.

New Shoooooes

Lunatic (tit) of the Month

Instead of a Lunatic of the Month, we have a LunaTIT of the month. My fellow RA, **That's Crap** couldn't wait to relay the story about his getting a eyeful of **She's Ready, Scouting for Boys** and **Lizbien's** 'assets' in their full glory whilst they were changing. They were practically in his face. He called them in for Down Downs for their exhibitionism, but it seemed only right that he should join them for his perving - intentional or otherwise. So we had three Tits' and a pervert. Congrats **TC** :-)

It was On In to the DLH3 HQ, The Bishop Lacey for their usual warm welcome, good beer and food. **Mateus Rosie** brought a lovely chocolate cake to celebrate her forthcoming birthday, and possibly the Jubilee as well.

Pics courtesy of **Larks**.

Wide Receiver was really chuffed to think that he wasn't the only 'Twitcher' in the Hash.

On-On,
Flying Fokker
